FACTS

6. Plaintiff repeats, re-alleges, and incorporates by reference each and every allegation and averment set forth in the above paragraphs of this Complaint with the same force and effect as if the same were more fully set forth at length herein.

7. Plaintiff is a company that specializes in distributing and licensing premier sporting events to commercial locations such as bars, restaurants, lounges, clubhouses, and similar establishments. Since 2001, Plaintiff has been the exclusive domestic commercial distributor for the world's premier mixed martial arts promotion company, the Ultimate Fighting Championship®. Over the years, Plaintiff has invested a considerable amount of time and money in building a loyal customer base and retaining customers.

8. By contract, Plaintiff was granted the exclusive right to license and distribute the Program to commercial establishments throughout the United States. The Program broadcast originated via satellite uplink and was subsequently re-transmitted interstate to cable systems and satellite television companies via satellite signal.

9. Plaintiff entered into subsequent agreements with various commercial establishments in the State of Texas that, in exchange for a fee, allowed them to exhibit the Program to their patrons. In consideration of the aforementioned agreements, Plaintiff expended substantial monies to market, advertise, promote, administer, and transmit the Program broadcast to those establishments in the State of Texas.

10. Prior to the broadcast of the Program, Defendants could have contracted with Plaintiff and purchased authorization to exhibit the Program in their Establishment for a fee. However, Defendants chose not to contract with Plaintiff or pay a fee to Plaintiff to obtain the proper license or authorization. At no time did Plaintiff give Defendants license, permission, or authority to receive and exhibit the Program in their Establishment.

11. By unauthorized satellite transmission or, alternatively, by unauthorized receipt over a cable system, Defendants willfully intercepted and/or received the interstate communication of the Program or assisted in such actions. Defendants then unlawfully transmitted, divulged, and published said communication or assisted in unlawfully transmitting, divulging, and publishing said communication to patrons in their Establishment.

12. Without authorization, license, or permission to do so from Plaintiff, Defendants exhibited the Program to the patrons within their Establishment.

13. Defendants pirated Plaintiff's licensed exhibition of the Program and infringed upon Plaintiff's exclusive rights while avoiding proper authorization and payment to Plaintiff. Defendants' actions were committed willfully and with the purpose and intent to secure a commercial advantage and private financial gain.

14. At the time of the wrongful conduct described herein, Defendants' agents, servants, and employees were in fact Defendants' agents, servants, and employees and acting within the scope of their employment and authority as Defendants' agents, servants, and employees.

SATELLITE PIRACY/CABLE PIRACY

15. Plaintiff repeats, re-alleges, and incorporates by reference each and every allegation and averment set forth in the above paragraphs of this Complaint with the same force and effect as if the same were more fully set forth at length herein.

16. Defendants' wrongful actions, in connection with the unauthorized exhibition of the Program, as described above, violate 47 U.S.C. § 605. By reason of Defendants' violation of 47 U.S.C. § 605, Plaintiff has standing and capacity to bring a private right of action.

17. Plead in the alternative, Defendants' wrongful actions, in connection with the unauthorized exhibition of the Program, as described above, violate 47 U.S.C. § 553, and by virtue of same, Plaintiff has standing and capacity to bring a private right of action.
